EDUCATION

Chatrabhuj Narsee School — International Baccalaureate Diploma Programme (IBDP)
Current Grade: 40/42 — *Jul 2026 – May 2028*

Dr. Pillai Global Academy — Cambridge IGCSE
*Grade: A*A*A*A*A*A*AB* — *Apr 2024 – Mar 2026*

RESEARCH

Integrated Solar-Driven Photo-Electrochemical Direct Air Capture and Algal Bio-sequestration Module — Nov 2025

Co-authored with Mrunmayi Satam, Akshar Rathod & Joshua Noronha

- Developed a solar-powered bus-stop module combining Direct Air Capture with an algae photobioreactor for a stemathon.
- Integrated CO_2 capture with algal bio-sequestration to convert captured carbon into biomass.

EXPERIENCE

Applied AI Intern — Sep 2026 – Present
GenZab

- Applied AI internship focused on educational technology and personalized exam-preparation workflows.

Game Developer — Jul 2026 – Sep 2026
StudyQuest Studios

- Built the first prototype of a Roblox educational game for SAT English.
- Gamified SAT English practice through an interactive obstacle-course (obby) format.

Software Engineer Intern — Jun 2026
Alpha International SG Pte Ltd

- Built ML and data applications including an Inventory Demand Forecaster, Live Port Weather Checker, and Parts Criticality Tagger using Python, Streamlit, and scikit-learn.
- Reconciled four years of ledger data for financial auditing and accuracy.
- Supported supply-chain operations and B2B outreach analytics.

SELECTED PROJECTS

Airline Satisfaction Prediction (Kaggle) — Nov 2026
LightGBM · XGBoost · CatBoost · Target Encoding

- Placed 1,722 / 3,734 teams globally, achieving 0.96028 ROC-AUC through out-of-fold target encoding and an ensemble of gradient-boosting models.

Parts Criticality Tagger — Jun 2026
Python · Streamlit · ML

- Internal tool for classifying maritime inventory as CRITICAL, IMPORTANT, or STANDARD using real stock data.

AWARDS & HONORS

- Overall Top 7%, International Computer Science Competition 2026
- All India Rank 96, IPN AI Olympiad 2026
- 1st Place (Exemplary), International Science and Technology League
- Merit-BasedIBDP Scholarship Recipient at DPGA
- 3rd Position, IGCSE Achievers Award, Dr. Pillai Global Academy
- International Certificate of Education with Distinction, Cambridge International Education

SKILLS

Languages: Python, C++, Java
Artificial Intelligence: Machine Learning, Deep Learning, Computer Vision, NLP
Areas of interest: ML/DL, Embodied AI
